☎ +380 98 845 35 28

📍 Toledo, Spain

Since 2023, I have been actively developing my skills in web development and programming. I have built and maintained websites using WordPress and Elementor, worked on front-end design and responsive layouts, and improved my expertise in HTML, CSS, JavaScript, and other web technologies. I focus on creating functional, visually appealing, and user-friendly digital solutions.

Skills

- HTML5, CSS3, JavaScript (ES6+)
- WordPress
- Figma, Adobe XD, Adobe Illustrator
- UI / UX Design
- Git, GitHub
- React.js
- SEO Basics (semantic HTML, meta tags, structure)
- Website Optimization (lazy loading, code splitting)
- Chrome DevTools, Lighthouse (debugging and performance)
- Responsive Design and Cross-Browser Compatibility
